

MACFAB

PB 75 Vertical Baler – Automatic

The most popular baler in the MACFAB range. An excellent baler for baling soft plastic / plastic film as well as cardboard and paper.

FEATURES

- PLC control panel with a bale full light.
- E-stop button with a key for easy machine lockout of the baler.
- Hour counter to record machine usage and plan maintenance.
- Makes a up to 75 kg bale.
- Easy to eject a bale onto a pallet with strap eject system.
- Retainers to prevent spring back of material in the bale chamber.
- Reel holder at the front of the baler holds 4 rolls of strapping for tying bales.

NOTE: We have a range of strapping available for this machine.
